

VSP® Vision Care Network

VSP Vision Care is a national not-for-profit vision company that strives to offer the best care at the lowest out-of-pocket cost. VSP has a national network of providers with over 37,000 private practice doctors and over 78,000 access points.

You'll like what you see:

- **Value and savings:** the VSP Network offers discounts on laser surgery, including LASIK
- **High quality vision care:** VSP providers offer the WellVision Exam®, a comprehensive eye exam designed to detect eye and health conditions — all with your satisfaction guaranteed
- **Choice of providers:** choose a VSP provider for the lowest out-of-pocket cost or any out-of-network provider for discounted services
- **Great eyewear:** find perfect frames at a price that fits your budget

Using your VSP benefit is easy:

- 1 Register at vsp.com.
- 2 Find a VSP eye care provider by visiting vsp.com or calling 800.877.7195.
- 3 At your appointment, tell them you have VSP — no ID card is necessary. If you'd like a card, you can print one at vsp.com.

For more details on the benefits and exclusive savings for VSP members, **visit vsp.com**
