Whether you are a recent arrival or an 8th generation Tarheel, we know you will enjoy living here. AND.. we want to work with you to protect your very valuable investment.

Trout Insurance Services, Inc has been serving families and businesses here for the last twenty-five plus years. We represent the major independent insurance companies: The Hartford, Travelers, MetLife, Allstate, Nationwide to name a few. Plus specialty carriers for high value homes. In addition, we work with folks for life and long term care, health and Medicare. Especially the latter, as Dave is now a “slightly older guy “ and has been on Medicare the past six years.

Whether it is insurance protection for your home, business, life, health or Medicare. Please contact us. We appreciate the opportunity to work with you.

“We have a home in the Weaverville area. When our insurance premium took a rather significant jump, I called Dave and he went to work to find out the reason. He discovered that we were wrongly listed regarding proximity to the Fire Department...he measured it and submitted the accurate reading to the company and got our premium restored to a much more reasonable figure. He was friendly, efficient and fast in helping to settle this. He has proven since then to be consistently ready to intercede when it’s necessary and we appreciate him more than we can say.” Thanks Dave!
